

- Allows for submission of MTW reports for PHAs (FHEO can assign a MTW agency)
- Allows grantees/FHEO to see expected reports due
- Allows FHEO to generate notices to grantees for delinquent reports or reports due based on an agency's fiscal cycle
- Allows grantees to unsubscribe from FHEO Section 3 notices
- Allows grantees to see visually if their report met Section 3 employment and contracting goals
- Allows grantees to submit custom reports with a start month which may be different than an agency's fiscal cycle
- Requires a user to verify/confirm their agency's fiscal cycle for future report tracking and notification by FHEO
- Access to Real-time delinquent reports (from FDM data) for FHEO
